

# ManageAbility Continues to Grow in Minnesota. Thank You for Your Support!

---

There is really no substitute for experience. At Manageability Inc. we understand that in the business of handling claims you are only as good as the adjuster managing the claim and the QRC helping to achieve positive case management outcomes. Our mission at ManageAbility Inc. is to find the right QRC's for the job and to help our customers by providing the best possible customer service that we can deliver. We appreciate the support you have given us with continued referrals. We are pleased to announce the latest addition to our family in Minnesota.

Please join us in welcoming **Kathleen Hern, MS, QRC, CDMS, CCM**. Kathy has been providing positive case management outcomes in Duluth, Minnesota for the past 19 years. She is very familiar with the employers and physicians in the Greater Duluth area, Northern Wisconsin, and Michigan's Upper Peninsula. Kathy is very experienced in providing statutory rehabilitation, medical case management and return to work services to injured workers in the "North Country." Her strengths include evaluation of work related injuries, coordinating medical treatment and assisting employers and employees in achieving positive return to work outcomes. Kathy is more than happy to assist you with: Transferable Skills Analysis, Loss of Earnings Capacities Reports, Labor Market Surveys, Rehabilitation Plans and Job Development and Placement services. Kathy is very experienced at vocational evaluations and testing and would be happy to help you with these services as well. Her many years of experience will help you achieve the results you are looking for. She is looking forward to working with you.
